## INFLUENZA

On the Grippe, though occasionally apt to be, is always more or less prevalent. The following is a receipt for a simple remedy in a few days.

Last Friday I was taken down with La Grippe. At first I was completely prostrated, and so difficult was my breathing that I almost ceased to breathe in a few days. I purchased a bottle of Ayer's Cherry Pectoral, and in a few days I was able to get up. I could not believe that the doctor would be so quick in his cure. It is truly a wonderful medicine. - W. B. Williams, Clark City, S. D.
